To ensure your chosen full line Wholesaler or Specialty Distributor has ample inventory to meet the needs of your institution/practice, we suggest the following steps:

- ❖ **MOST IMPORTANT** - Notify your servicing Wholesaler/Specialty Distributor customer service representative and alert them to your conversion intention with the following information:
 - ✓ Weekly purchase amount (units)
 - ✓ Weekly purchase amount by contract – WAC, GPO, 340B
 - ✓ Anticipated conversion percentage from other pegfilgrastim brands
 - ✓ *Anticipated conversion date for large conversions, please allow at least 5 days for Wholesaler/Specialty Distributor to increase inventory*
